Hughley Guide Service is a family owned and operated business. We have been guiding bear  
 hunts since 1984. Over the past 30 years we have harvested over 400 bears. Our family has  
 found great success in hunting and trapping. We are located approximately 2 hours north of the  
 Twin Cities. We provide an over bait hunt where you will be hunting an active bait site.  
 We pride ourselves on maintaining an extremely high percentage rate of opportunity.

## 5 DAY HUNT

- We retrieve, field dress, prep for taxidermy and quarter your bear.
- We provide hunts out of ground blinds, ladder stands and portable tree stands.
- Archery, muzzle loader, shotgun and rifle are the preferred weapons used by our hunters.

Over the years we have developed a vast client base. Many of our hunters are return clients that have hunted with us for many years. They take comfort in knowing that as returning clients they are given the opportunity to book first over new clients.

Over 400 Bear Harvested

Our success comes from our focus on quality hunts instead of quantity of hunters, therefore we guide a limited number of hunters each season. Our goal is to provide you with the best hunt possible. We strive for 100% opportunity.

Our first-rate guides have extensive experience and expertise in both hunting bear and guiding hunts. All guides have harvested numerous bear both as hunters and guides.
